

HOW TO GET A FREE MOTORCYCLE PASS

July 2015

How should motorcycles get ready for the I-405 Express Toll Lanes?

Motorcycles will need a *Good To Go!* Motorcycle Pass in order to drive in the I-405 Express Toll Lanes without being charged a toll.

Do I need a *Good To Go!* account?

Motorcyclists must still pay tolls on the SR 520 Bridge and Tacoma Narrows Bridge. If you use these roads, you should set up a *Good To Go!* account to pay the lowest toll rates and avoid getting bills in the mail. Bikers who do not use these toll bridges can ride for free on the I-405 Express Toll Lanes with a motorcycle pass that is not linked to a *Good To Go!* account.

- Call 1-866-936-8246 or visit GoodToGo.com to set up a *Good To Go!* account or link your pass to an existing account.
- Establishing an account will require a \$30 deposit, which is your money to cover payments of future tolls. You can register multiple vehicles to a single account.

Where can I purchase additional Motorcycle Passes?

If you don't qualify for a free Motorcycle Pass or have multiple bikes, you can purchase additional Motorcycle Passes for \$8 (plus tax) each at GoodToGo.com, by calling 1-866-936-8246, or at any *Good To Go!* customer service center.

Can I still get a free Motorcycle Pass for a second bike if I already own a pass?

Yes, any motorcyclist who uses I-405 can request one free pass while supplies last.

How can I request a free *Good To Go!* Motorcycle Pass?

WSDOT will provide motorcyclists who travel on I-405 with one free *Good To Go!* Motorcycle Pass per person while supplies last in 2015. To be eligible for a free pass, you must live, work, or play in King or Snohomish Counties, and ride your motorcycle on I-405. You can request a free Motorcycle Pass by taking a brief online survey at:

www.goodtogo405.org/freepass

Why is a *Good To Go!* pass necessary?

A Motorcycle Pass is necessary in order to signal our tolling equipment to not send a toll bill. Motorcycles without a Motorcycle Pass will receive a bill in the mail. This is the most reliable and cost effective way for us to identify motorcycles.

What do carpools, vanpools, and transit need to do to get ready for the I-405 Express Toll Lanes?

Carpools, vanpools, and transit are all required to have a *Good To Go!* account and pass in order to drive for free in the new lanes.

What does the pass look like and where does it go on my bike?

The motorcycle pass is a permanent sticker that adheres to motorcycle headlamp with clear backing. Motorcycle passes will be damaged and unusable if they are moved or adjusted after installation. This protects you from theft and allows you to see if anyone has tampered with your pass. The pass does not affect headlamp light or visibility.
